ARINA

MIDDLE FRONTEND DEVELOPER

Frontend Developer with 3 years of experience in building responsive React.js, cross-platform and full-stack applications. In addition, I have proficiency in TypeScript and basic practical experience with Node.js. Mostly, I have been working as a part of a team, however, I also have experience in being a single frontend developer and leading frontend developers with organizing workflow by myself. I've been working on various projects (Fintech, Social Networks, Entertainment, Data management), communicating with clients from all over the world

TECH SKILLS

- VUE
- TYPESCRIPT
- JAVASCRIPT (ES5-ESNEXT),
- CSS (INCLUDING SASS AND FRAMEWORKS, SUCH AS
- TAILWIND, BOOTSTRAP, BULMA, ETC),
- MATERIAL DESIGN UI LIBRARIES
- STATE MANAGEMENT TOOLS (VUEX AND PINIA),
- WEBPACK (INCLUDING CUSTOM SETUPS)
- UNIT TESTING (JEST, VITEST), E2E TESTING, USING CYPRESS
